Walk That Tells Character.

A peculiar walk is that of the long stride with the decided swing of the shoulders. This walk is generally to be seen in authors, actors and artists, and is characteristic of the art world, the man who has ideas of his own, and is quite untrammelled by convention. It denotes independence and, if accompanied by an emphatic planting down of the left foot, a stamp in fact, resolution and determination.

PERIODIC BILIOUS ATTACKS

Persons subject to periodic bilious attacks will observe that their appetite fails them just before an attack. That is, they do not really crave food, but eat because it is meal time. If they will eat only a light meal and no meat, then take two of Chamberlain's Tablets the attack may be avoided.

ADMIRAL PEARY DEAD

WASHINGTON, February 23.—Rear Admiral Robert Edwin Peary, 64, retired, Arctic explorer and discoverer of the North Pole, died at his home here, of pernicious anemia, from which he had suffered for several years. Arrangements for the funeral have not been completed, but he will be buried with full naval honors.

Admiral Peary submitted to a blood transfusion at a hospital here ten days ago. He gradually grew weaker, however, and the end came early this morning. Dr. H. F. Strime, the Admiral's physician, disclosed that the transfusion this month was the thirty-fifth to which Admiral Peary had submitted within two years.

GIRLS! DRAW A MOIST CLOTH THROUGH HAIR

Let "Danderine" save your hair and double its beauty.

Oh, girls, such an abundance of thick, heavy, invigorated hair; a perfect mass of wavy, silky hair, gloriously fluffy, bright and so easy to manage.

Just moisten a cloth with a little "Danderine" and carefully draw it through your hair, taking one small strand at a time; this magically removes all dirt, excess oil and grease, but your hair is not left brittle, dry, stringy or faded, but charmingly soft, with glossy, golden gleams and tender lights. The youthful glints, tints and color are again in your hair.

"Danderine" is a tonic-beautifier. Besides doubling the beauty of the hair at once, it checks dandruff and stops falling hair. Get delightful Danderine for a few cents at any drug or toilet counter and use it as a dressing and invigorator as told on bottle.

Ditto.

The first recorded case of attempted economy by a government official was unfortunately a failure. It appears that somebody, whose duty it is to issue all outgoing checks, attached his signature to the first one of a batch and simply put "ditto" on the remainder.—London Punch.

CHRONIC CONSTIPATION.

There are people who never have a movement of the bowels without it is produced by a cathartic. Most of them have brought that condition on themselves by the use of mineral waters and strong cathartics that take too much water out of the system and aggravate the disease they are meant to relieve. A mild laxative tonic like Chamberlain's Tablets affords a gentle movement of the bowels that you hardly realize has been produced by a medicine, and their use is not so likely to be followed by constipation.

Qualities of Precious Stones.

Opals are in certain respects altogether peculiar among gem stones. Whereas other gems, such as the ruby, the emerald, and the sapphire, owe their colors to mineral elements by which the crystals are stained, the brilliant tints of the opal are due to its structure, ever so many minute cracks reflecting lights at different angles from their edges. An amethyst is quartz crystal of another variety, containing from 5 to 13 per cent of water.

In deference to the superstition of the actors, most theatres have no dressing-rooms numbered thirteen.

WIDE AWAKE AND ACTIVE IS CLAIM OF LETTER-MAN

Says He Performs Duties With Renewed Vim Because of Trutona.

BOLWING GREEN, KY., February 23.—"I'm wide awake and active and really feel like working; seems as though I'm able to perform my duties with a new vim since taking Trutona," C. W. Howerton, a well-known letter carrier here, who lives at 106 Fourteenth street, said a few days ago.

"I hadn't been feeling well, and I was afraid to 'lag' along as 'flu' time was drawing near," Mr. Howerton continued. "My digestion was poor and although I slept well, my sleep didn't seem to be restful, as I usually felt lifeless, tired and draggy. My liver and kidneys were not normal either. I felt derowsy and sleepy most all day."

"After several of my neighbors had spoken to me about Trutona I finally decided to try the medicine. As I just said, I can perform my duties with a new vim since taking Trutona. I'm wide awake and active and feel more like working, it seems. Trutona gave me quicker relief than any other tonic I have ever taken and because of the quick thorough benefits I have gained through it I am glad to recommend this medicine."

Trutona is now being introduced and explained in Paris at Varden & Son's drug store.

Clover Barometers.

The ordinary clover and all its varieties, including shamrock, are barometers. When rain is coming the leaves shut together like the shells of an oyster. For a day or two before rain comes their stems swell to an appreciable extent, and stiffen so that the leaves are borne more uprightly than usual. This stem swelling when rain is expected is a feature of many flowering grasses.

DOLLARS AND CENTS

Counting it only in dollars and cents, how much did that last cold cost you? A man may not always stop work when he has a cold, but perhaps it would be better if he did. It takes about ten days to get completely rid of a cold under the usual treatment. That time can be much shortened by taking Chamberlain's Cough Remedy and proper care of yourself, in fact, a bottle of this remedy in the house is a mighty good investment during the winter and spring months.

Wage Successful War on Pest.

The worst enemy of the grape growers in California is a minute insect called the "thunder fly," because it appears in greatest numbers in hot and sultry weather, when thunder storms are frequent. A man out there has invented a suction apparatus, with a ten-horsepower blower, that is placed on wheels and driven through the vineyard, harvesting the pests from the vines as it goes along. It is said to work very successfully.

A few tablets of "Pape's Diapepsin" brings relief almost as soon as they reach the stomach. "Pape's Diapepsin" by neutralizing the acidity of the stomach, instantly relieves the food souring and fermentation which causes the flatulence, fullness, or pain in stomach and intestines. "Pape's Diapepsin" helps regulate disordered stomachs so favorite foods can be eaten without causing distress. Costs so little at drug stores.
